

Amphitheatres

Amphitheater I

Amphitheater I has 85 conference-style chairs in a graduated classroom setting.

The Podium consists of the latest touch controls to allow the presenter to have the “perfect” setting at all times during the meeting. The podium can raise and lower itself to adjust to each speaker and also has a clock, timer, light, controls, program volume, and four different light settings.

Amphitheater II

Amphitheater II has 158 comfortable theater style chairs with flip top desks for taking notes during the meeting.

The Podium consists of the latest touch controls to allow the presenter to have the “perfect” setting at all times during the meeting. The podium can raise and lower itself to adjust to each speaker and also has a clock, timer, light, controls, and four different light settings.

Both Amphitheatres are LCD compatible.
